

Pentwater Lake Association  
Minutes August 17, 2020: Informal Zoom Information Meeting

I. Lynne called meeting to order at 6:35 PM

2. Roll Call Present via zoom were: Lynne Cavazos, Joe Primozich, George Richey, Pat Hooyman, Betty Pleva, Beth Provencal, Tom Walters, and Rich Pugsley. Absent were: AnnaMae Bush, Mike Peters and Dan Selahowski. ~~§~~ JANET STRAHAN

3. Approval of Agenda/Additions

Additions to agenda: Pat has an announcement. Fishing tournament results. Order of items were switched putting Announcements before Work Session.

4. Approval of Minutes for August 17, 2020

Correction was made to add Janet with Beth on the Face Book committee. Minutes were approved with a motion from Rich and a 2<sup>nd</sup> from Pat.

5. Treasurer's Report: George Richey

George reported totals as follows: Savings (same) \$14,547.26, Checking - \$3,072.96, with the total being \$17,620.22. Mikala Bush drew a cartoon for the newsletter and was awarded \$25.00. It was noted that without the Strawberry Social Fundraiser the accounts are about \$1K - \$2K less. Expenditures, however, are reduced since due to Covid-19 Pandemic there was no annual meeting. The report was approved with a motion first from Beth and a 2<sup>nd</sup> from Tom.

6. Next Board Meeting: September 21, 2020 at 6:30

7. Committee Reports

A. Newsletter - AnnaMae Next newsletter comes out in October

B. Face Book/Publicity - Pat, Beth Janet

Publicity committee met resulting in ideas to post weed harvesting one time/week. Discussion and questions ensued regarding Joe's interview segment on WZZM13 News regarding the recent finding of the old lumberman's log.

C. Membership - Rich

Rich mailed Welcome Packages to five new members. Thirty-five reminder letters were mailed to members who have not renewed. Rich still has plans to put informational flyers around town.

D. Water Quality - Mike (absent) Lynne filled in

There are two more months of water samples to come.

Seechi water clarity is in a 6-8' range. Questions arose regarding the green floating mass by Longbridge. Explanation is that since water temps are higher, the algae blooms accelerates and the algae gathers when there is no movement.

E. Natural Resources - Joe

1. Eagles fledged two eaglets.

2.. Youth Fishing Tournament was best ever! Three kids broke the Master Angler Record.

3. \$400.00 was used toward mechanical harvest, rakes and pitch forks.

4. Plans to meet up with Brandon Macher, local HS student who operates a drone, to use the drone to see the eagles and the Frog bit weed.
